

## Draft Agenda

### Training course on Geothermal District Heating Systems

Wednesday, November 12<sup>th</sup>, 2014 – Thursday, November 13<sup>th</sup>, 2014

Venue: Conference Room, Westend Tower, 1<sup>st</sup> floor, Dubravska 2, 841 04 Bratislava, Slovakia

- 8:30 – 9:00 **Registration of attendees**
- 9:00 – 9:10 **Welcome** by Lubos Slovak, Moderator of the day
- 9:10 – 9:30 **Overview of geothermal energy** – Matus Gajdos, AGEO
- 9:30 – 9:50 **Prospective for geothermal DH in Europe & Geothermal DH potential in Europe, webmap viewer** – Michal Plichta, AGEO
- 9:50 – 10:30 **Geothermal project phases and concepts** – Projects developer, tbc
- 10:30 – 10:45 Coffee break
- 10:45 – 11:05 **Drilling technologies, Production, Operation and Management** – Martin Bujdos, Drilling Engineer
- 11:05 – 11:25 **Innovations in drilling technologies** – Igor Kocis, GA Drilling
- 11:25 – 12:00 **Planning and District Heating network** – DH network representative, tbc
- 12:00 – 12:30 **Design of geothermal plant** – Projects developer, tbc
- 12:30 – 13:30 Lunch
- 13:30 – 13:50 **Regulations, standards and codes** – Ministry of Economics, tbc
- 13:50 – 14:10 **Environmental issues and social acceptance** – Michal Plichta, AGEO
- 14:10 – 14:30 **Financing costs and investment analysis** – OTP bank, tbc
- 14:30 – 14:50 **Discussion**
- 14:50 – 15:00 **Conclusion of the day**
- Afterwards **Field site visit**
